

Lifestart is an Early Childhood Partner for Early Childhood Early Intervention (ECEI)

Delivering the NDIS in your community

ECEI supports children aged **0-6 years** who have a developmental delay or disability and their families and carers.

If your child is aged 0-6 years and has a disability, or if you are concerned about their development, they may be able to receive help from the NDIS.

Lifestart is your main contact for the NDIS if you live in the Central Coast, Illawarra Shoalhaven, Nepean Blue Mountains, South East Sydney or Sydney regions.

We can:

- help you to work out your child's support needs
- link you and your child with the right services
- provide short-term early intervention supports
- help you to request NDIS access if your child requires longer-term early intervention supports
- work with you to develop an NDIS plan if your child becomes an NDIS participant.
